TAT	Assistant General Counsel, and I discussed the OL
	recommended change 407(b), Title IV. expressed the
	view that our change would have little chance of being
	accepted by the Senate Select Committee since it seemed to
	be open ended. He recommended instead, that the last three
	lines of Paragraph b, Section 407 be changed beginning with,
	"all the provisions of Chapters 137 and 139" to read as
	follows: "All of the provisions of Chapters 137 and 139,
	Title 10, may be waived for the effective performance of
	functions authorized under this Act." The words, "regulations
	issued thereunderly will be at much from the words, regulations
	issued thereunder" will be struck from the paragraph.

TAT	and I all agreed that this change
	would be acceptable.
